SIGN IN

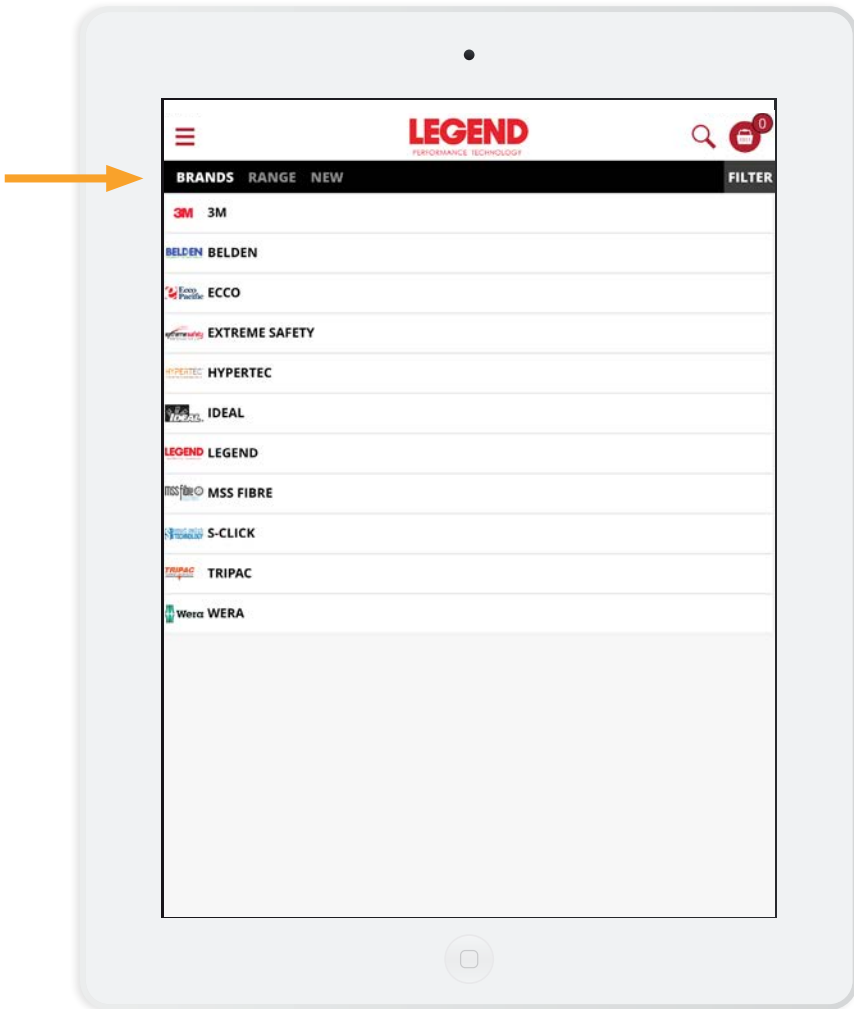

Contact your account manager to send you an email invitation to set up your log in details, then proceed to **sign in** with those details.

Accessing The Range

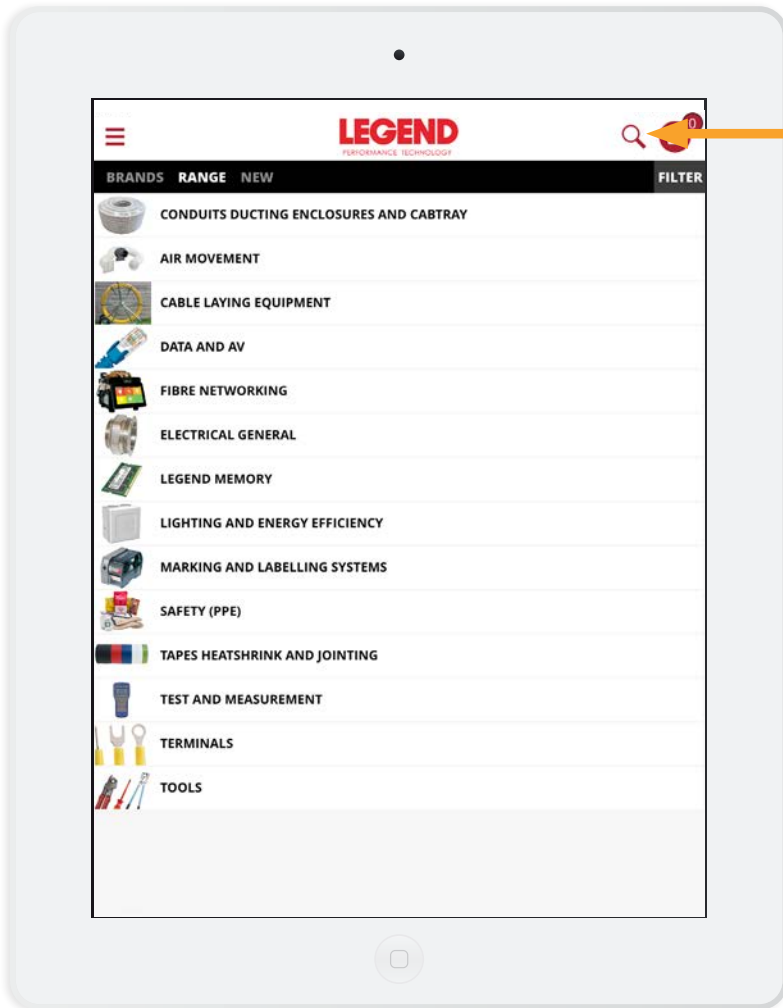

You can browse our complete range of products by tapping on the **Products** tab.

Product Selection

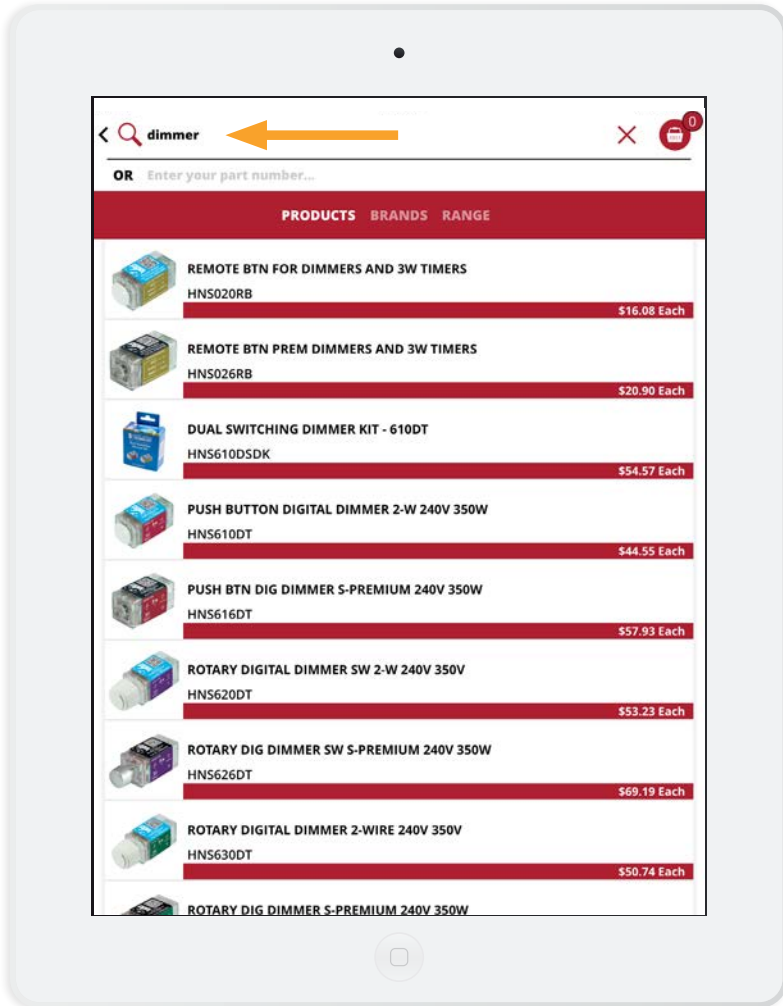

Easily sort products by brand, product range, new products or even search using keywords or part number.

Search Function

To search for products tap on the magnifying glass icon and input your search terms.

Product Search

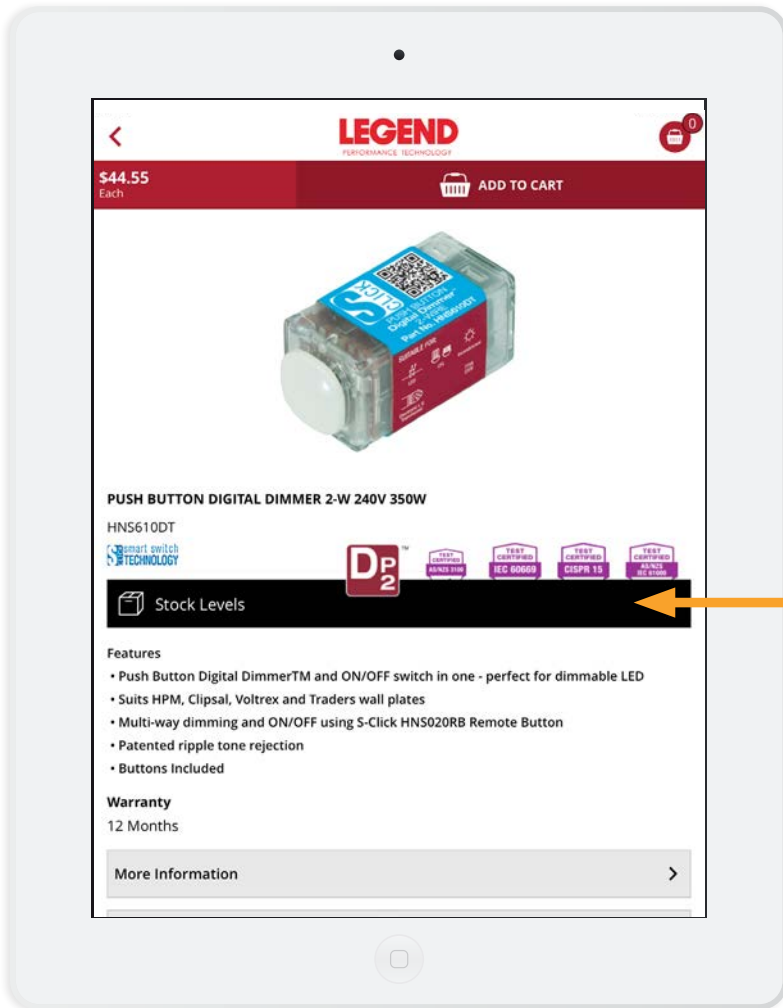

The search feature allows you to search for products with keywords or by typing in the part number of the desired product.

Barcode Scanner

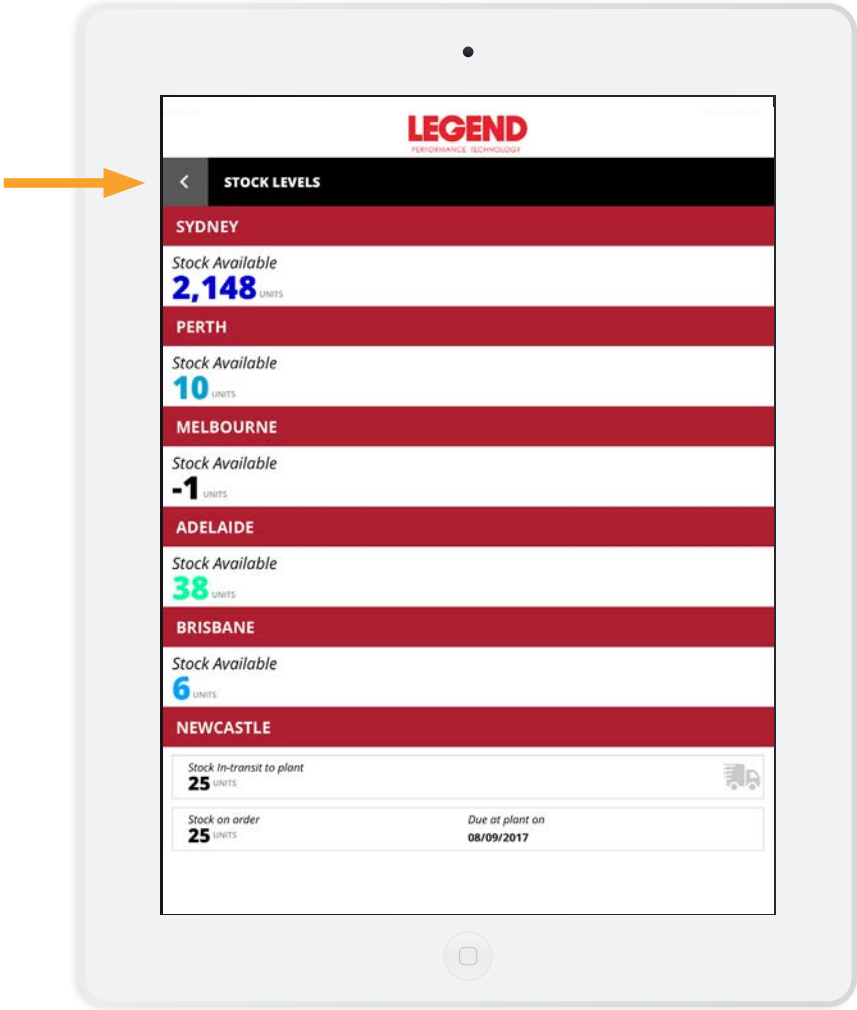

Using the search feature you can search for a product by scanning its barcode by tapping the barcode button.

Product Information

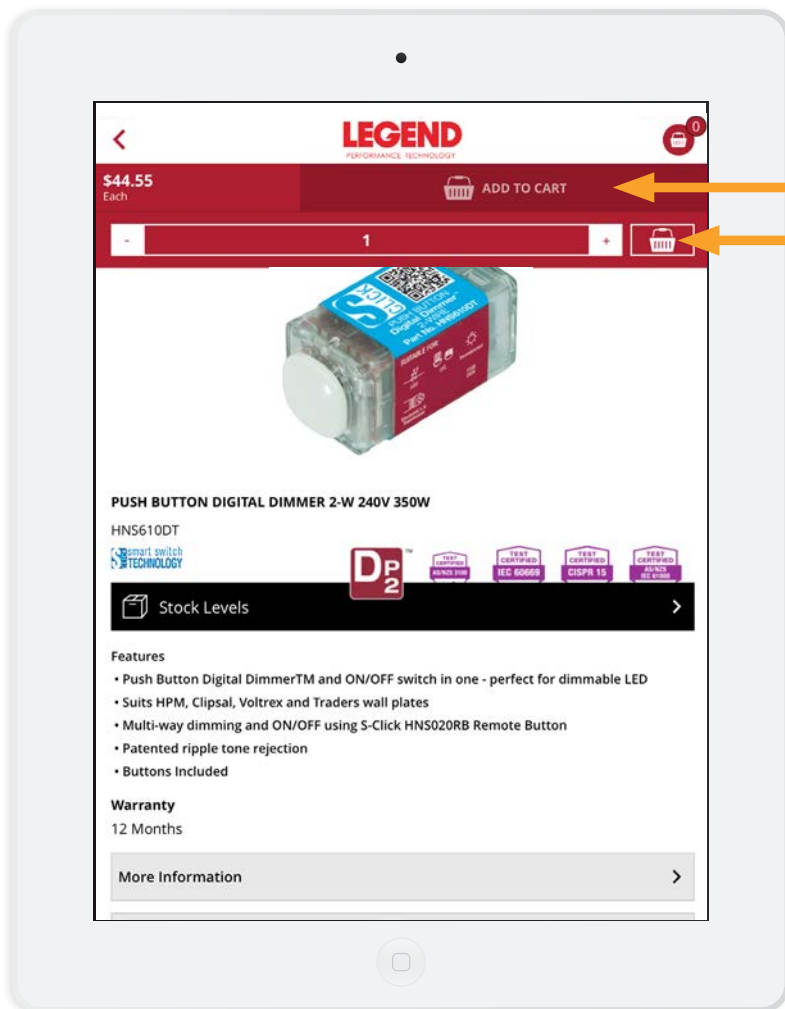

When a product is selected you can access its stock levels, product information, related technical data, user manuals, as well as view your own personal pricing.

Stock Levels

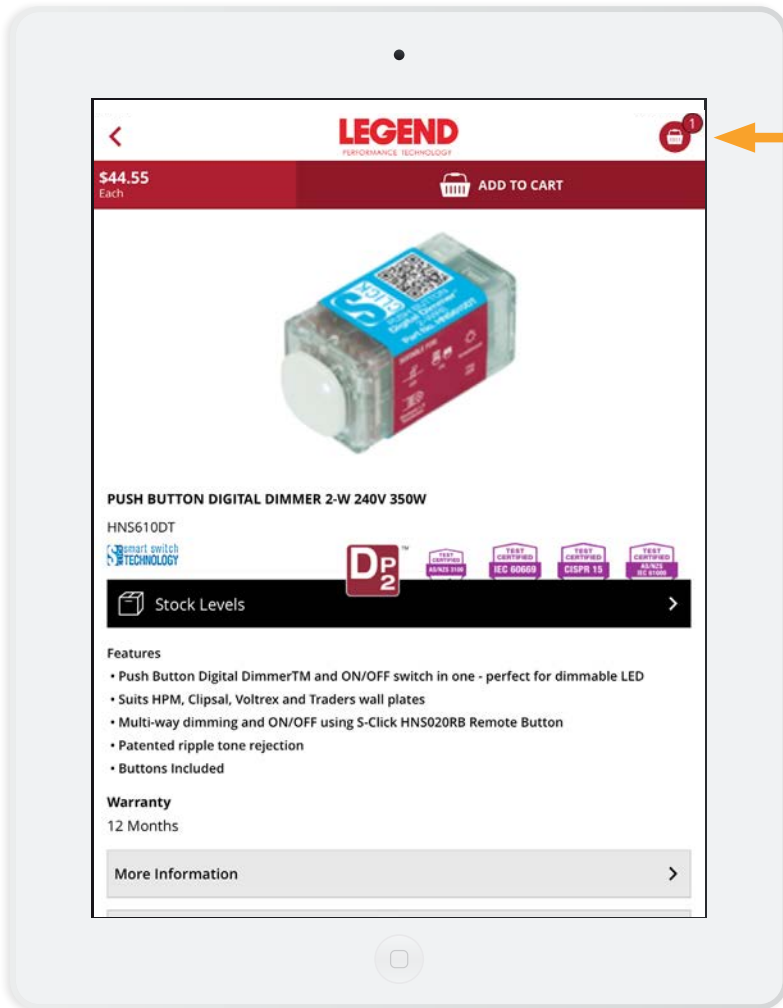

Stock levels shows you product availability in any one of our national distribution centres across the country.

Adding Products to the Ordering Products Shopping Cart

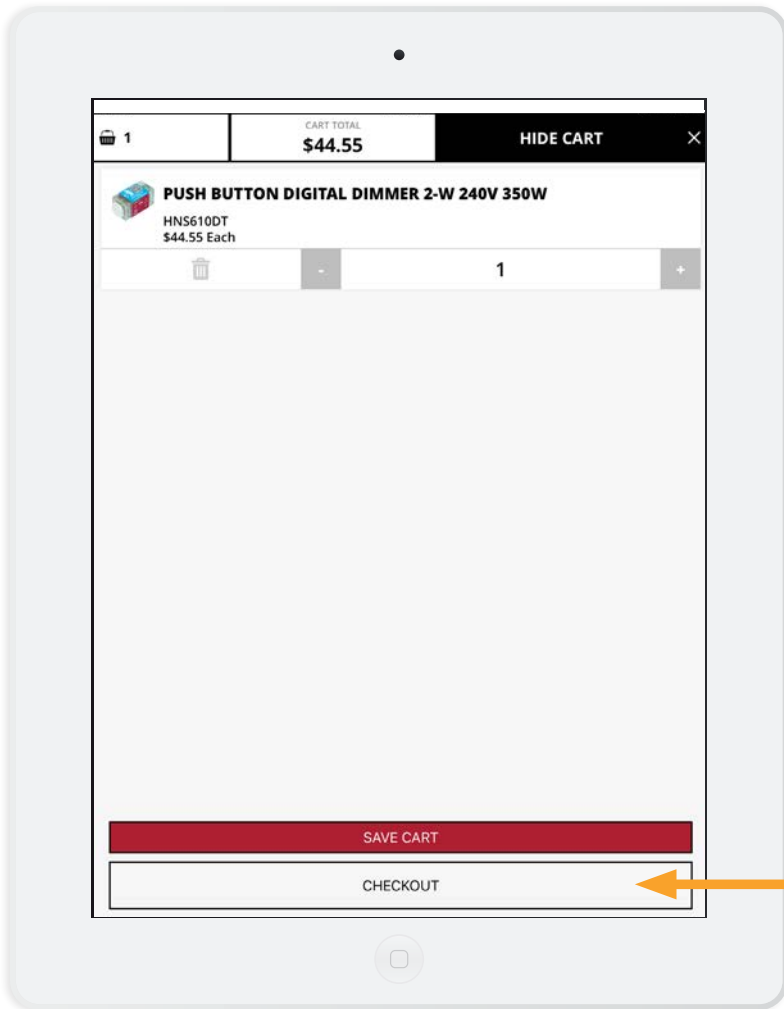

To add a product to your cart, simply tap the **Add to Cart** tab. You will then have the option to select quantities.

Accessing the Cart

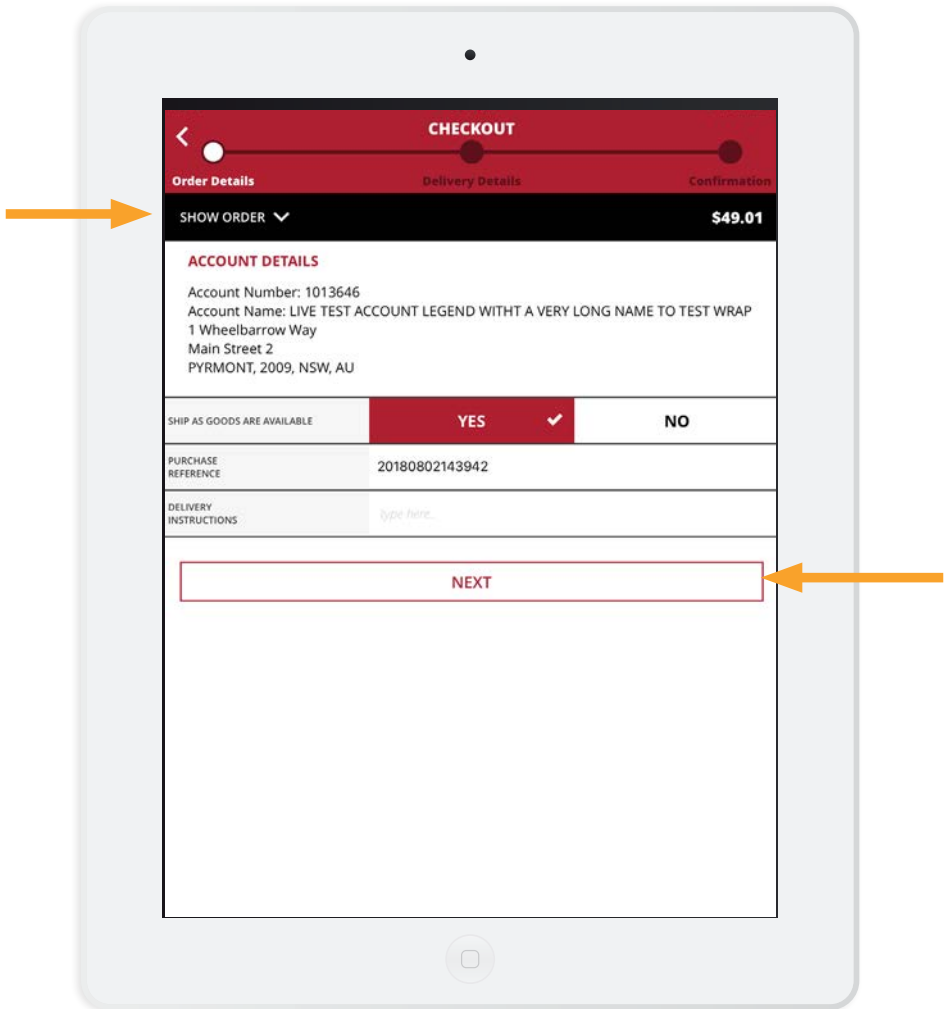

You can access the cart by tapping on the cart button found in the top right corner.

Updating Cart & Checking Out

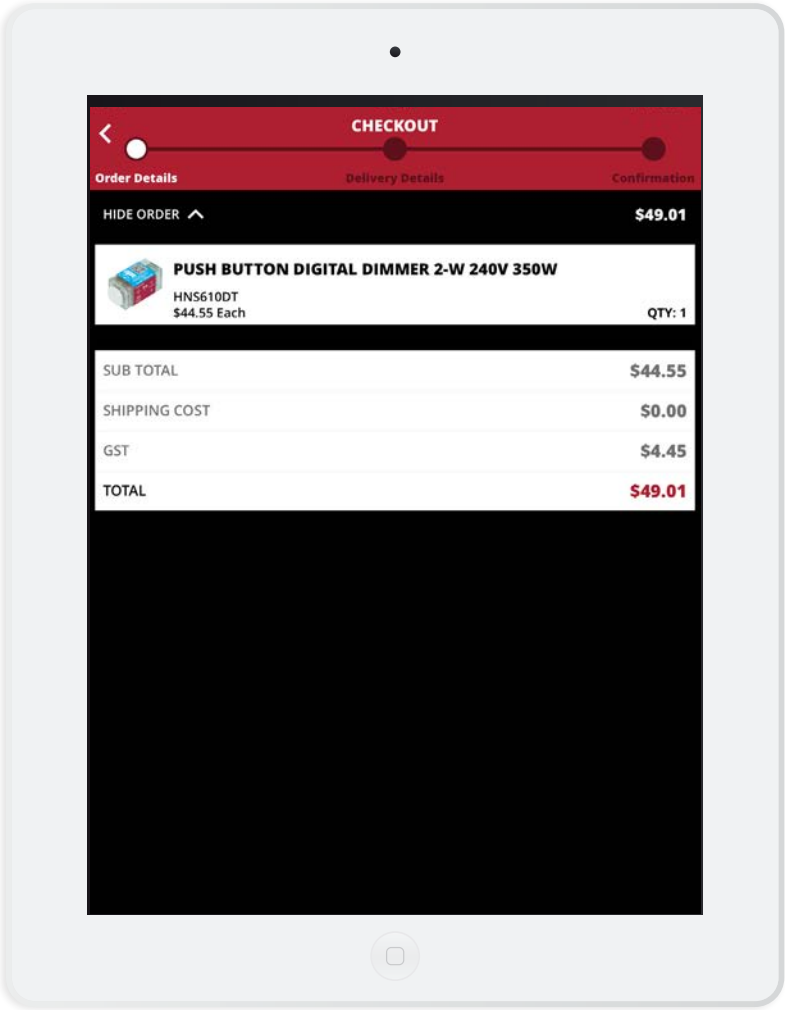

Once the cart is open you can view and modify the contents. When you are ready to proceed with your order tap the **checkout** button.

Displaying Order Details

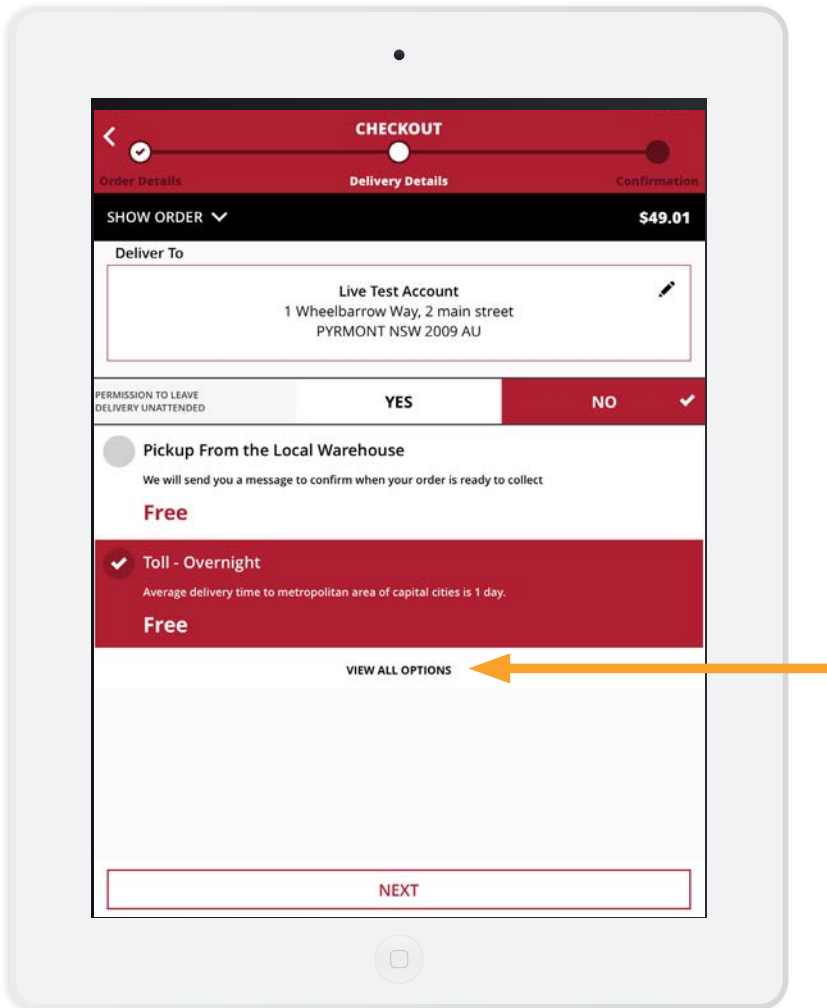

On the order details page you have the option to view your order via the **Show Order** drop down. You can also see if everything in your shopping cart is ready to ship. Once you have confirmed the items press **Next** to proceed.

Show Order

The show order screen displays all of the items in your cart and pricing for each of the items.

Delivery Details

The screenshot shows a mobile application interface for a checkout process. At the top, a red header bar contains a back arrow, a progress indicator with three dots (the second dot is active), and the word "CHECKOUT". Below the header, a dark red bar displays three tabs: "Order Details", "Delivery Details" (which is selected), and "Confirmation". Underneath, a black bar shows "SHOW ORDER" with a dropdown arrow and the price "\$49.01". The main content area is titled "Deliver To" and contains a white box with the address "Live Test Account", "1 Wheelbarrow Way, 2 main street", and "PYRMONT NSW 2009 AU". Below the address box is a section for "PERMISSION TO LEAVE DELIVERY UNATTENDED" with two buttons: "YES" and "NO" (which is selected and has a checkmark). The next section is "Pickup From the Local Warehouse" with a radio button and the text "We will send you a message to confirm when your order is ready to collect". Below this is a red bar for "Toll - Overnight" with a checkmark and the text "Average delivery time to metropolitan area of capital cities is 1 day." and "Free". At the bottom of this section is a button labeled "VIEW ALL OPTIONS" with an orange arrow pointing to it from the right. The entire screen is framed by a light gray border representing a tablet, with a home button at the bottom.

VIEW ALL OPTIONS

NEXT

You can choose to have your order sent to you or you can opt to pick it up from your local warehouse. There are many direct delivery options to choose from. To view alternate delivery options tap **View All Options**.

Delivery Details

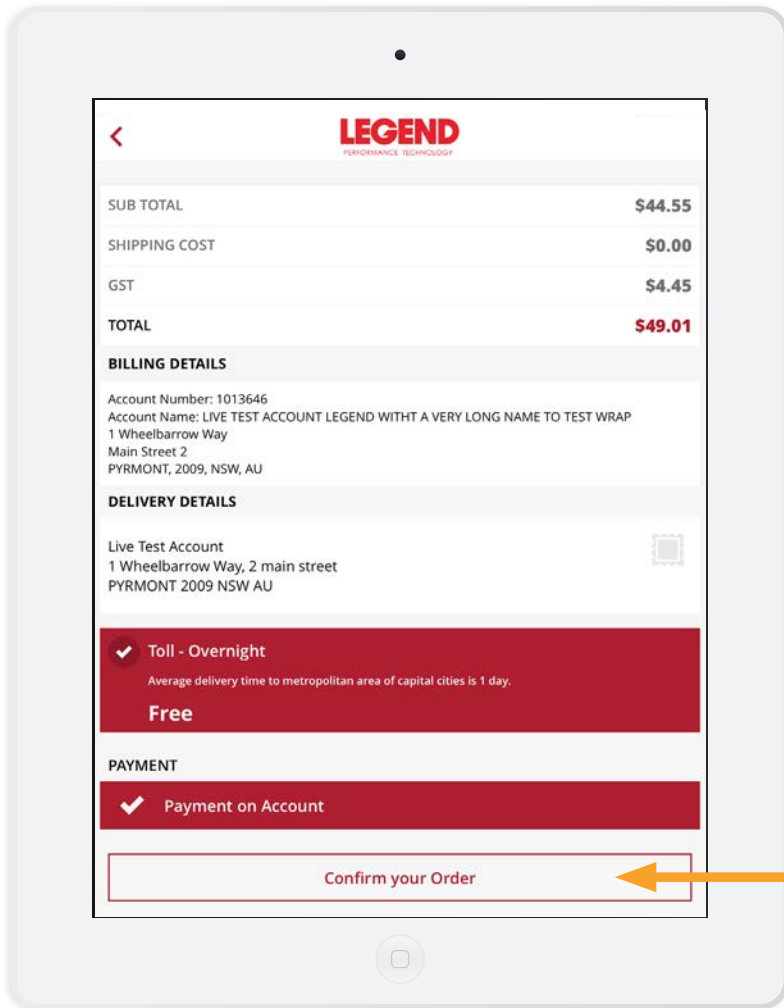

The screenshot shows a mobile application interface for a checkout process. At the top, a red header bar contains the word "CHECKOUT" in white. Below this, a progress bar shows three steps: "Order Details" (completed), "Delivery Details" (current step), and "Confirmation" (pending). The "Delivery Details" section is highlighted. Below the progress bar, there is a "SHOW ORDER" button with a dropdown arrow and a total price of "\$49.01". The "Deliver To" section shows the address "Live Test Account", "1 Wheelbarrow Way, 2 main street", and "PYRMONT NSW 2009 AU". A pencil icon is visible in the top right corner of the address field, with an orange arrow pointing to it. Below the address field, there is a section for "PERMISSION TO LEAVE DELIVERY UNATTENDED" with two options: "YES" and "NO". The "NO" option is selected, indicated by a checkmark. Below this, there are four delivery options, each with a radio button, a title, a description, and a price:

- ☐ **Pickup From the Local Warehouse**
We will send you a message to confirm when your order is ready to collect
Free
- ☐ **Toll - Overnight**
Average delivery time to metropolitan area of capital cities is 1 day.
Free
- ☐ **Startrack Express Road**
Average delivery time to metropolitan area of capital cities is 3 days.
\$10.25
- ☐ **Startrack Premium Overnight**
Average delivery time to metropolitan area of capital cities is 1 day excluding Darwin which is 2 days.
\$10.43

At the bottom of the screen, there is a "NEXT" button.

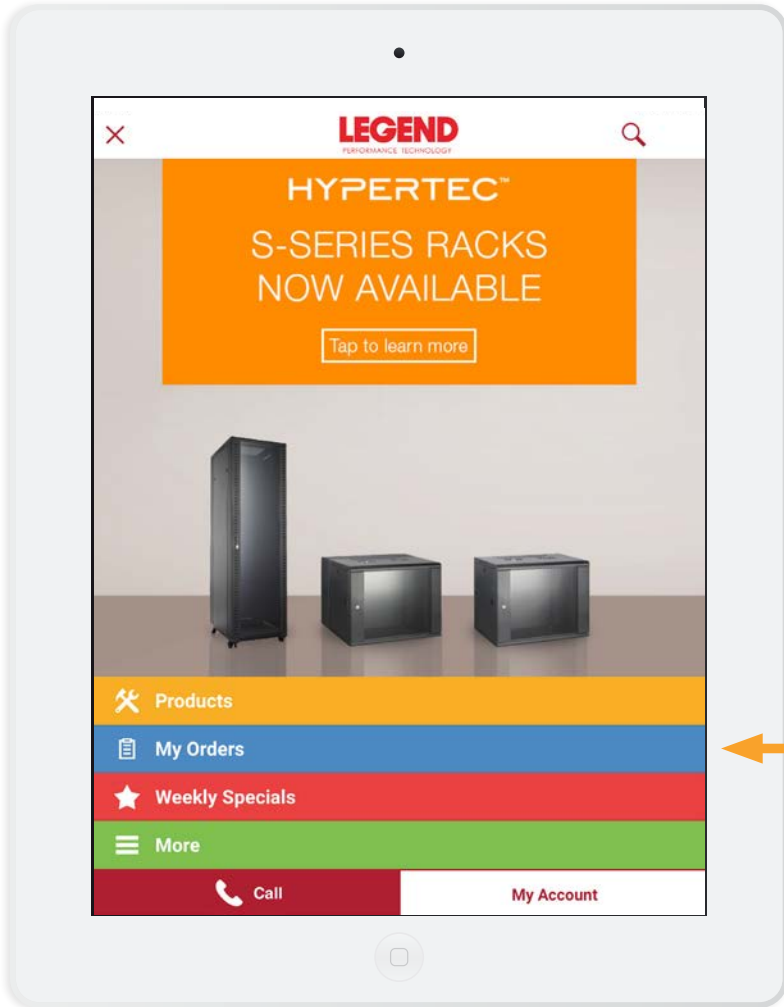

To change the delivery destination, simply tap on the pencil icon in the “Deliver To” field to amend it. Once you have confirmed your pickup or delivery details tap next to proceed.

Order Confirmation

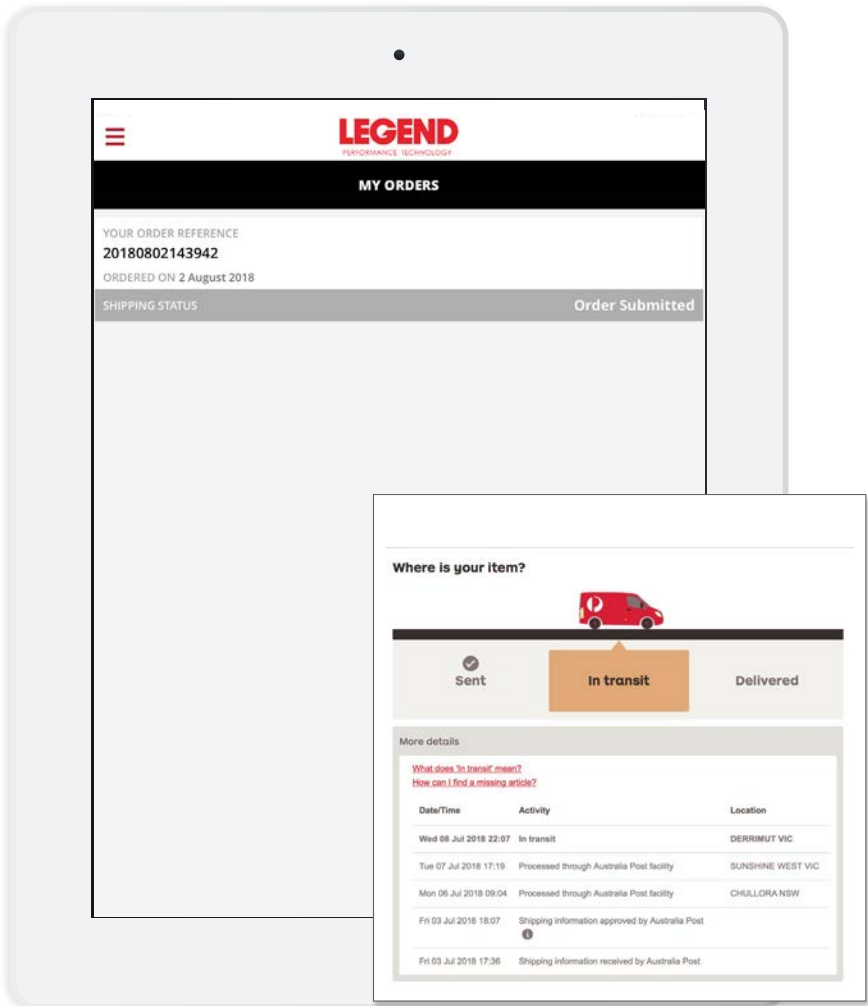

The confirmation page is the final step of the checkout process. It is here that you review your order and the delivery options. If everything is correct then tap the **Confirm your Order** button and a pop up will let you know that your order has been confirmed. You will also receive an order confirmation email.

My Orders

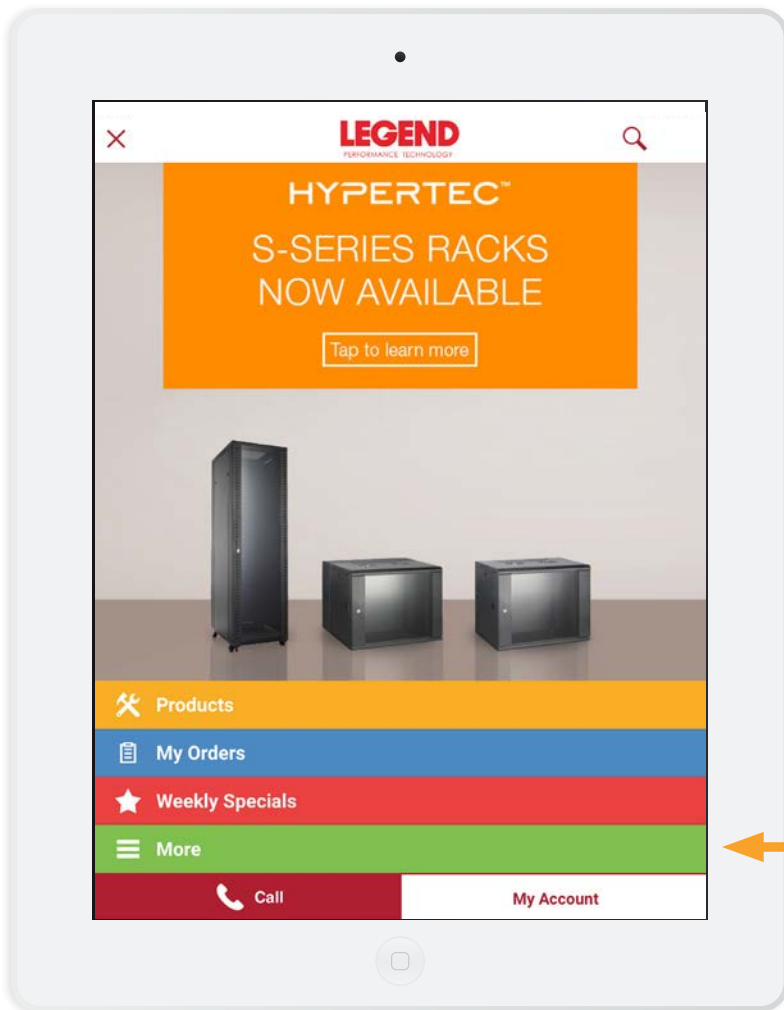

You can check on your current or view previous orders in the **My Orders** tab on the home page.

My Orders

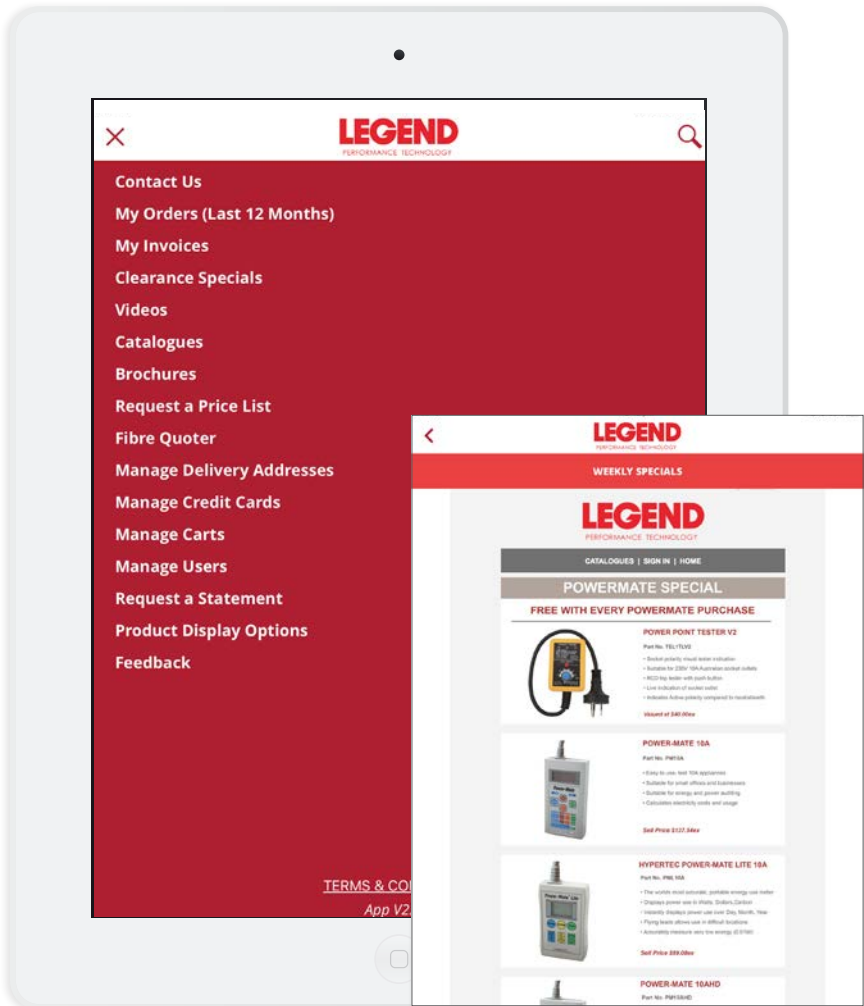

In this menu you can view the status and even trace your orders. This menu will also display other related information.

More Functions

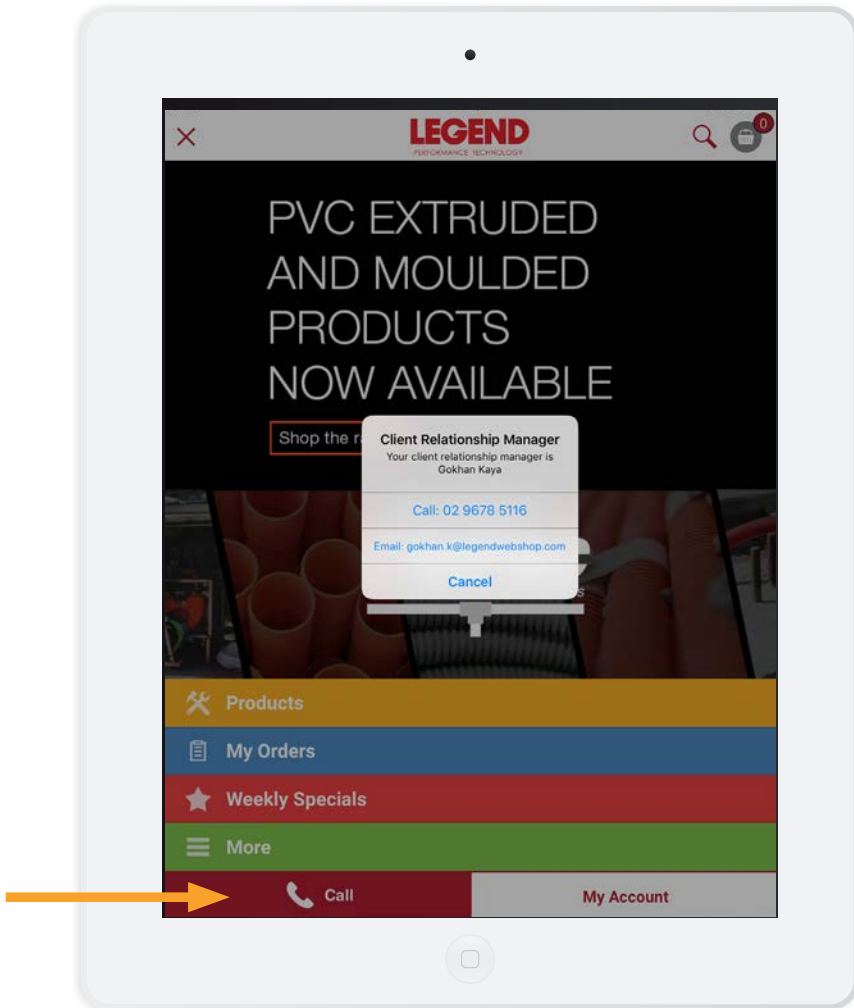

Tap the **More** tab to view a range of features such as viewing completed invoices, requesting price lists, using the fibre quoter, requesting statements and managing account settings.

More Functions

The app allows users to do more than just browse and shop. Providing a range of extra features and resources at your fingertips. If desired feedback can also be left from this page.

Call Your Account Manager

The app will call your account manager.
