

LEGEND CORPORATION

Introducing the (new) CEO

As of Monday, the 2nd September 2019, Legend Corporation and its trading subsidiaries, have been acquired through a partnership of Gary Uren and Adamantem Capital. Gary Uren has been appointed as Chief Executive Officer with immediate effect.

Gary has over 30 years' experience within the electrical, electronics and industrial products sector as a senior executive. Gary has previously been highly successful leading international businesses in the United States of America, United Kingdom, France, China, Saudi Arabia, as well as back home here in Australia where he was CEO of Legrand. Gary holds a Masters Degree in International Business from Southern Cross University.

The companies within the Legend group are renowned for their best in-class customer service and exceptional on-time delivery of more than 40,000 product lines. The group employs over 350 people across Australia and New Zealand in multiple manufacturing sites, independently certified test laboratories, corporate offices and warehouse holding facilities.

Legend Corporation's trading subsidiaries include;

- CABAC (electrical and industrial products)
- Legend Performance Technology (fibre and data solutions)
- Legend Power Systems (mining, rail and infrastructure)
- System Control Engineering (industrial gas products, spare parts, HVAC & R)
- Celemetrix (calibration services)
- Hendon Semiconductors (defence electronics and manufacturing)

Under Gary's new leadership, Legend Corporation and its trading subsidiaries will continue to offer customers the same high-quality standard of products and industry leading customer service support. Customers can be reassured that it will still be business as usual, but with much bigger and better things to come.

Should you have any further questions regarding the new leadership at Legend Corporation, please get in touch with us on 1800 328 200. We will be more than happy to discuss this in further detail.
